

Lyman Alpha Workshop

We look forward to welcoming you to Ohio State for the Lyman Alpha Workshop!

Here is a collection of useful information.

Location and Schedule

All events will take place in the Physics Research Building (PRB) on the main campus of Ohio State University. The street address is [191 W. Woodruff Avenue, Columbus, OH 43210](#). If you are driving to campus, the nearest visitor parking is the [Tuttle Parking Garage at 2050 Tuttle Park Place](#).

The evening reception on Wednesday will begin at 6pm and include appetizers. This will be in the main atrium of the PRB. All of the talks on Thursday and Friday will be in the Smith Seminar Room, right off the main atrium of the PRB, and start at 9am each day.

Warning: There is a concert (P!NK) on the west side of campus on Wednesday evening starting at 7:30pm (this is why the hotels closest to campus were all sold out). If you are driving from the StayBridge Hotel to campus on Wednesday evening, we encourage you to check a map app to avoid the worst of the traffic.

Our morning coffee breaks are timed so that each morning a subset of us can visit the [Astronomy Department's AstroCoffee](#), which starts at 10:30am in nearby McPherson Lab (Room 4054). This features daily discussion of the [latest papers on the arXiv](#).

Program

Here is the latest [Program](#).

We have four 45-min discussion sessions plus a closing discussion. Based on your input, we have compiled a set of [slides with questions for each discussion](#). We encourage you to think about these questions in advance, and to suggest additional questions. Please email any new questions to Paul.

We have created a [document with the summaries of each talk](#) that we have received to date. If yours is not listed and you would like to share it in advance, please email it to Paul.

Here is also the complete [List of Participants](#).

Dining

We encourage participants to self-organize into lunch and dinner groups each day.

For lunch, there are many places to eat on nearby High Street, and they should be relatively uncrowded as Thursday and Friday are Ohio State's Autumn Break.

Some suggestions within a short walk of the PRB are:

- Diaspora (Korean) <https://eatatdiaspora.com/>
- Hierloom (Local) <https://www.theheirloomcafe.com/>
- Roots Natural Kitchen (Local) <https://www.rootsnaturalkitchen.com/>
- Buckeye Donuts (Greek) <https://buckeyedonuts.com/>

There are also lots of fast food chain restaurants on High Street.

There are many great options for dinner throughout Columbus. Here are some of our favorites that are within a ten-minute drive of campus:

- Aab (Indian) <https://www.aabindiarestaurants.com/>
- Figlio (Italian) <https://figliopizza.com/new-page>
- Lavash (Mediterranean) <https://www.lavashcafe.com/>
- Z Cucina (Italian) <https://www.zcucina.com/>
- SOW Plated (Various) <https://www.sowplated.com/>

For those staying at the Staybridge Suites, El Vacquero (Mexican) is a short walk from the hotel. It is okay.
